

HITACHI

Hitachi is a name synonymous with cutting edge, premium equipment which offers incredible value. Their European factory produces the entire Yutaki ASHP range, designing it to meet the needs of the local market. It's nearby location means they control the whole design and manufacture process, thus guaranteeing the highest levels of quality, reliability and durability.

YUTAKI

ULTRA SIMPLE CONTROLS

Green means GO, red means STOP. Know instantly when there is a problem. The latest controller makes heat pump control beautifully simple.

SUPER EFFICIENT

Boasting up to an industry-leading 452% efficiency*, the Yutaki range is among the most efficient in the UK.

**RAS/M2HP @ 35°C*

R32 REFRIGERANT

With a global warming potential of 675 (two thirds less than R410a), R32 is much better for the environment.

**R32 on all single fan 2/2.5/3 HP units*

HIGHER TEMPERATURES

With water temperatures up to 80°C, the Hitachi Yutaki S80 is in a class of its own as true boiler replacement technology.

HEAT PUMP MODEL NO.	Output (kW) -2/50	Dimensions (mm) W x H x D	Efficiency @ 50°C	Weight (kg)	Sound pressure
